Dear Parents/Carers,

Our new website is now live. The web address is the same. Please have a look at it and let us know if you encounter any problems or if any links do not work properly.

If you, your family or a friend are looking for a local venue for a child's party, please remember that we hire out our hall and extension room. The hall would be ideal for a larger event, possibly with entertainers or bouncy castle, and the extension for smaller parties or even meetings. To enquire about availability and prices please contact the school office. The fee charged would obviously benefit the school.
