Dear Parents/Carers,

Thank you to everybody who attended the Maths meetings, I hope you found them useful. If you were not able to attend, you will find a copy of the presentation on the class MLE page.

Please take a minute to look on the school web site, under the Medical Information Page, where you will find a link to a website called Health Matters. This is a useful site which has been designed by the school nurses to give you advice, support and information on lots of different health issues. Please also note there is an information sheet advising you of absence periods for specific illnesses. As always if you are unsure of anything, please do not hesitate to contact Mrs Brown.

Yesterday there was a man advertising his Karate School/Club outside Courtland School. This is not the Karate Club that is run on our premises and we do not endorse his club.
