Dear Parents/Carers

I am delighted to report Year 6 SAT's results for this year. The children achieved the following: 97% of the children met the standard in Reading, 100% in SPAG and 97% in Maths . As you can see these are very high and are well above the national figures. This reflects all the hard work the children have put in throughout their years at Courtland. A very high percentage of children didn't just meet the standard they exceeded it. This is what we can achieve when home and school work successfully together. All results for the year will be posted on the website within the next week.

Thank you to everyone who came to support our Key Stage 2 production. Your support is always much appreciated and I will enjoy feeding back all your generous and complimentary comments to the children as they really performed well and made us all very proud. Thank you for the donations that were given at the end of the show. We are lucky to have so many talented children at Courtland.

Next year I will be working as Executive Head across 3 schools. I will be leading Barnet borough federated schools, Manorside and Tudor two days a week. As schools are coping with reduced budgets this is a perfect opportunity to see how federated schools operate. Whilst I'm away Mrs Tunkel will be Acting Headteacher and Mrs Rose and Mrs Kikuchi will be sharing the role of Acting Deputy.

Miss Lisa Walker

PTA NEWS

Thank you all for helping with the fair and your support for the school. Special thanks to all of those who dedicated their time to the fair which meant they could not spend time with their children. We really do appreciate all your help. After more detailed accounting our profit is £4359.82. This does not include Martyn Gerard's forthcoming contribution or Match Funding. We are continuously reviewing and working towards improving the smooth running of the fair but hope that you understand that it is really up to all of us as we are all volunteers.

We also would like to invite everyone to come and discuss the financials and goals of PTA on Thursday 19/7 at 8.00pm in Three Hammer Public House, The Ridgeway, NW7. Those who attended the last meeting know that we have important issues to discuss and we like to make some decisions. I hope many of you can attend. I hope you understand that I can't offer my home as we will be too many and I hope you don't mind us choosing the pub as the venue. I understand some had things they wanted to say or suggest at the last meeting but we had very little time. If you let me know when you come to the meeting I can make sure all of the suggestions and ideas are shared right at the beginning.

Many thanks and hope to see you all. Houmet Godarzi

SEPTEMBER YEAR 3 CHILDREN

Early date for your diary.

On Thursday 13th September Year 3 will be going on a trip to Hampstead Heath. We will need parents to transport the children there. More information will follow next week.

INCREASE IN COST OF SCHOOL MEALS

Children in Reception, Year 1 and Year 2 are entitled to free school meals under the Universal Infant Free School Meals Scheme. Children in Years 3 to 6 need to pay for their school meals. The cost of school meals is increasing from 1st September 2018 from £2.15 to £2.34 per day. Iss Catering have informed us that there has not been an increase in price in more than 4 years and last year the council decided to subsidise school meals so that meal prices did not need to increase in line with inflation. This year the council is no longer in a position to provide this subsidy.

- **The cost of the lunches for the first half of the Autumn Term is £77.22** (from 5th September - 19th October 2018). **Payment must be made in advance;** If you wish to pay weekly, **the cost is £11.70 per week, payable in advance on line on School Money.**
- If you wish your child to start/stop school lunches please come into the school office and pick up a form. If you wish to stop school lunches, the kitchen will require you to give them **half a term's notice.**

YEAR 3 SCHOOL LUNCHES

Year 2 children going into year 3 in September we will not be able to pay for their lunches on School Money until the first of the new term in September. This is because they currently do not have to pay for lunches in year 2 and will not show on the system to be in year 3 until 5th September 2018.
