Dear Parents/Carers

Please can I remind you not to drive up Hankins Lane towards the golf club even if it is raining or there are adverse weather conditions. The reason we ask this is to protect the children as this is such a small road. I was shocked to discover this morning that several parents drove up using the excuse of the snow. This is even worse than on a normal day as the road and pavements were slippery and more dangerous. Please be respectful to all members of our community and help us to keep our children safe by keeping this a car free zone. If you are running late always use the front entrance of the school as this is when accidents are most likely to happen.

On a separate note we are in weather warning season and with the possibility that we may have to close the school at some point the procedure is that I will send a text to all Parent/Carers. I will only close the school if I am unable to get enough members of staff into the building to ensure your children's safety. On the rare occasions this happens I will always endeavour to send the text as early as possible preferably before 7.30am. Unless receiving this text please always assume school is open. If you are a new parent to the school this year, please do pop into the office if you are unsure of any of our systems.

PTA MOVIE NIGHT

Movie Night Wednesday 30th January. Please return completed slips and payment to the office for the movie night by this Friday in order for the parent volunteer organisers to determine correct quantities of food in advance. If you no longer have the flyer see the attached or just write child's name, class, choice of movie, choice of food on an envelope enclosing £5 payment. If you are able to help on the night that would be much appreciated, please contact Souri on 07545828130.

CONTACT TELEPHONE NUMBERS

Please ensure that the School Office has up-to-date contact telephone numbers for all Parents/Carers of pupils in the school. This is extremely important if your child is unwell during the school day or we have to communicate to you regarding school closures etc.
